New Board members appointed

Recent Orders-in-Council have been signed by the Lieutenant Governor, appointing a new Chairman and two new members to the University's Board of Governors, and confirming the appointments of three other new members.

The new members (with their pictures) are listed below. Their appointments are retroactive to July 1, 1972.

In addition to naming new members, the August 29 Order-in-Council confirmed the re-appointment of D. C. RITCHIE, formerly a representative of the Alumni Association, now a member at large. Other members continuing as Governors of The University of Alberta are: C. L. USHER, representing the Alumni Association; R. G. BALDWIN, Dean of the Faculty of Arts, representing the academic staff; M. ADAM, representing the graduate students; and A. D. MC TAVISH, MRS. D. MC CULLOCH, and P. SAVARYN, members at large.

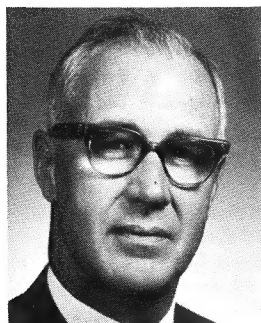

Statutory members of the Board are L. A. DESROCHERS, Chancellor of the University, and M. WYMAN, President of the University.

Secretary to the Board is JOHN NICOL, Assistant to the President.

With the exception of students, who receive one-year appointments, members are appointed for a term of three years. The Board appoints the deans of all faculties, all members of the teaching staff, the Librarian, the Registrar, and all members of the administrative staff.

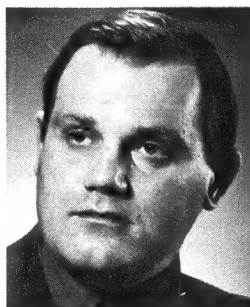

FRED T. JENNER, a member of the University Board of Governors since 1970, has been named Chairman of the Board. He succeeded JOHN E. BRADLEY July 1, 1972. Mr. Jenner was a member of the University Senate from September 1, 1966 to June 30, 1971 and represented the Senate on the Board. He has had a noteworthy career, both in the Army, and as a businessman in Edmonton.

CHAIRMAN RETIRES AFTER TWO TERMS

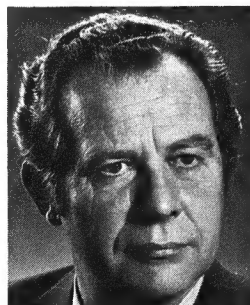

JOHN E. BRADLEY, Chairman of the Alberta Hospital Services Commission, has retired as Chairman of the University Board of Governors. He held the position for six years, succeeding C. M. MAC LEOD who is a former Chairman of the Workmen's Compensation Board. Dr. Bradley placed high emphasis on obtaining good facilities for University departments, and directed much energy to the planning and funding of buildings and equipment during the recent period of rapid growth.

BURKE M. BARKER, Associate Professor of Law, will serve on the Board with Dr. Baldwin as a representative of the academic staff. Professor Barker is a former member of General Faculties Council, and past President of the Association of the Academic Staff.

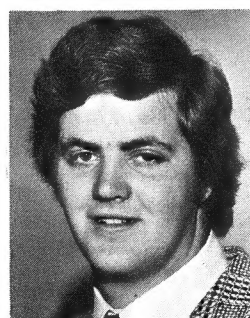

ERIC A. GEDDES, a partner at Price Waterhouse & Company, Chartered Accountants, since 1961, has been appointed to the Board as a member at large. Mr. Geddes received his Bachelor of Commerce degree from this University in 1947. He lectured in the Faculty of Business Administration and Commerce for one year and was a member of its Faculty Council for two.

C. A. KOSOWAN, President of the Alumni Association, will represent the Association on the Board. Mr. Kosowan obtained his BA from this University in 1950 and his LLB in 1951. He is a partner in the law firm of Kosowan & Wachowich.

GERRY RISKIN, third-year Law student and President of the Students' Union, was nominated for his position on the Board by the Students' Council.

FRANS SLATTER, former Treasurer of the Students' Union and member of General Faculties Council, will serve with Mr. Riskin as a representative of undergraduate students. Mr. Slatter is a fourth-year Commerce student.

MORE THAN 6,000 NEW STUDENTS EXPECTED

Registration for the 1972-73 Winter Session has been completed, and the campus is just about ready to shed its circus-like air for something a bit more sober. Students returning for another year of studies, and those embarking on their first, have turned the quad north of the Administration Building into a virtual midway this week. But Monday will come and, with it, the beginning of classes for more than 6,000 new students.

The following list indicates the number of students accepted for admission to the various programs:

Agriculture	215
Arts	903
Business Administration and Commerce	449
Collège Universitaire Saint-Jean	62
Dental Hygiene	41
Dentistry	50
Education	1,009
Engineering	329
Household Economics	140
Law	203
Library Science	65
Medical Laboratory Science	25
Medicine	122
Nursing	143
Pharmacy and Pharmaceutical Sciences	116
Physical Education	242
Rehabilitation Medicine	74
Science	1,232

CONSTRUCTION REPORT

The August 15 Progress Report of the Campus Development Office lists eight major building projects under way.

Arts II, or the Humanities Centre, is 94 percent complete. Finishing is 88 percent complete in the east wing and 70 percent complete in the west wing. Progress is reported as "very slow," and substantial completion is not expected before November 1.

Progress is also described as slow on Chemistry II, which is 60 percent complete and five months behind its revised completion schedule of December 20 this year. Part of the problem is a shortage of bricklayers (unemployed graduates, take note), so that the installation of brick facing has been held up.

Education, phase II, is one quarter complete, with cores and columns poured to the sixth floor and seventh floor columns being formed. The project is scheduled for completion next summer.

Engineering Centre phase II is substantially complete, and deficiencies were to have been cleared up by the end of August. The Department of Mechanical Engineering is now moving in equipment and furniture.

Brick work is also progressing slowly on the Fine Arts Building. The walkover to the Law Centre is now being installed. The building was supposed to have been completed this September, but it is at least four months behind schedule.

Several of the low-rise units in Michener Park II have been formed and two now have roofs. This part of the project is 31 percent complete. Columns and shear walls have been completed to the second floor level of the high rise unit, which is 6 percent complete. Work was begun on Michener Park II in May.

Rutherford Library II has fallen six months behind its original contract completion schedule of August 30 this year. The project is 73 percent complete. Again, progress is slow although the workmanship is described as good on the brick facings. At the time of the report, only four bricklayers were on the site.

Sixty units in the Students' Union Housing project were complete in mid-August, and 25 of them occupied. An additional 60 units were to be complete and inspected by September 1. The total project is 55 percent complete. Concrete work is two weeks ahead (would you believe) of the revised completion schedule, December this year, and finishing work is two months behind.

PROGRAMS ESTABLISHED FOR STAFF TRAINING AND DEVELOPMENT

The following notice has been received from M. A. ROUSELL, Comptroller.

The conclusion of salary agreements between the Board of Governors and the Staff Associations provides an opportune time to put in capsule form the various programs established for support of staff members in pursuit of training and development. These programs may be summarized briefly as follows:

University credit courses

A program of "Remission of Instruction Fee" is available to eligible members of staff who, with the approval of their Department Chairman or Head, wish to enrol in University credit courses related to their duties and responsibilities. The remission applies to the instruction fee only and the staff member will be responsible for the payment of any general fees as set out in the University Calendar and assessed by the Registrar. Application forms for remission approval, together with detailed regulations, are available from the Fees Division, Office of the Comptroller (telephone 432-3389).

The remission program became effective April 1, 1972 for non-academic staff members and July 1, 1972 for academic staff members; detailed regulations and information thereon are available through the respective Personnel Offices or BRIAN McDONALD in the Office of the President and D. A. COPP in the Office of the Comptroller.

University non-credit courses and non-University courses

The following general sources of support may, upon approval, be available to eligible staff members:

(a) Professional Training Fund—Administrative and Professional Officers and Professional Librarians. Administered by the Office of the President (BRIAN McDONALD, 432-4955). Application forms are available upon request. Eligibility generally relates to circumstances where the staff member wishes to participate in a non-credit course which is directly related to his University position.

(b) Staff Training Fund—Non-academic Staff. Intended to assist the staff member in obtaining reimbursement, in whole or in part, for training taken through the Extension Department or outside the University. Administered by the Director of Personnel from whom application forms are available.

(c) Research and Trust Accounts. Occasionally it may be desirable that a research

and trust account holder will wish to pay the cost or a portion thereof, of a course offered by the University (either credit or non-credit) or a course offered outside the University. Further information in this area is available upon request from the Office of the Comptroller—Special Funds Division (432-3432 or 432-3370).

Each of (a), (b), and (c) above normally provide for initial payment of the fee by the staff member. Reimbursement is made to the staff member upon successful completion (where applicable) by means of the submission of an original receipt for the fees paid, together with the authorization covering the respective account to be charged, upon completion of the course.

LIBRARY SEMINARS

The Reference Department, Humanities and Social Sciences, will be offering seminars on the research resources and services available from The University of Alberta Library.

The seminars are intended for graduate students and faculty members working in the humanities and social sciences, but they are open to anyone interested. They will be held on selected Thursdays and Fridays at 12 noon in the penthouse of Cameron Library; details will be given in advance in "This Week and Next."

Seminars may be repeated as often as necessary upon the request of the instructor at times mutually suitable to participants. Requests for seminars to be repeated should be directed to MRS. OLGA ANDERSON, Head, Reference Department, Humanities and Social Sciences, Cameron Library, telephone 432-3794.

CHILDREN NEEDED FOR MUSIC PROGRAMS

University staff who have children in grade VII are invited to apply on their behalf for instruction in the music programs being offered for the tenth year by the Music Education Laboratory (MELAB) during 1972-73.

The children will form a band and a beginning string orchestra, and the annual fee of \$20 includes the use of an instrument during the first year. No musical experience is required.

For further information, telephone 432-3680 or 439-2415 or write to ALAN SMITH, Associate Professor, Department of Secondary Education.

FACULTY BADMINTON CLUB

The new season will begin on Wednesday, September 13. The hours for this first Wednesday and each succeeding Wednesday will be 7:30 to 10 p.m., and players should meet in the main gymnasium of the Physical Education Building.

Those eligible for the Faculty Club, including spouses and post-doctoral fellows, are eligible for membership in the Faculty

Badminton Club. The annual fee, including cost of birds, is \$6 for each member. Members of the executive welcome inquiries, especially from new members of staff. Executive members are: R. PETER, President (Department of Zoology), 432-5685; MISS Y. GOODMAN, Secretary-Treasurer (Department of Medical Bacteriology), 432-1304; and J. WESTGATE, Court Captain (Department of Geology) 432-3430.

CREATIVE DANCE CLUB TO MEET

Orchesis, the creative dance club sponsored by the Students' Union, will begin meeting in mid-September and continue through April.

The club is open to high school students age 14 or older, and to all adults. There will be a beginners' group and a performing group. Membership in the latter will be by audition and is limited to 35 people.

Those interested in either group are asked to attend a meeting Tuesday, September 19 from 5 to 7 p.m. in Room E19 of the Physical Education Centre. A class will follow the meeting, so come prepared to dance. Arrangements for auditions for the performing group may be made at that time.

For further information, telephone MISS MARSHA PURSEL, 432-5676.

FACULTY WOMEN'S CLUB

The Faculty Women's Club extends a cordial invitation to all eligible members to attend its fall membership receptions. A tea, honoring retiring members, will be held on Saturday, September 9 from 2 to 4 p.m., and there will be a coffee party on Tuesday evening, September 12 from 8 to 10 p.m. Both functions will take place at the Faculty Club, 11435 Saskatchewan Drive.

HISTORICAL SOCIETY OFFERS AWARDS

Several awards and prizes are being offered by the Amisk Waskahagan chapter of the Historical Society of Alberta. Details may be obtained from ALAN D. RIDGE, Provincial Archivist, 12845 102 Avenue.

WOMEN IN THE SEVENTIES

Alberta women are invited to donate photographs on the theme "Women in the seventies" for an exhibition to be held in the Students' Union Building starting September 24. The exhibit is sponsored by the Women's Programme Centre in conjunction with a Women's Studies course.

Photographs should be 8 x 10 inches or larger and mounted so that they are not damaged in the mail. They should be addressed to: Women's Programme Centre, Students' Union Building, The University of Alberta, Edmonton and should arrive by September 12.

Entries to be displayed will be chosen by the Women's Programme Planning Group with the help of artistic advisors. The photographs

will remain the property of the Women's Programme Centre and will be placed in their library; however, all reproduction rights will remain with the photographer.

Further information may be obtained by writing to the Women's Programme Centre at the above address, or by telephoning NAOMI RANKIN at 433-4550.
